#### Notes:

1. Company registration includes assisting in the process, plus getting the company registered, shares issued, articles of Association and a Company certificate. This includes all fees.
2. Bank account is an online HSBC business banking account with 18 months free banking, plus charge card, debit card and cheque book.
3. Business card design, ordering and delivery.
4. Using a company that specialises in providing a Registered office address facility in London, with all regulatory business post forwarded to an address of their choosing. Our Clients normally don't like using their residential addresses.
